WHO ARE YOU CARRYING?

RAISE MONEY FOR FIRST RESPONDERS AND VETERANS

HELP [Irving Republican Women](#), [Coppell Republican Club](#) and [A Better Dallas](#) raise money for First Responders and Veterans

Since 2011, Carry The Load has been providing active ways for Americans to honor and remember the sacrifices made by our military, veterans, first responders and their families. The entire world has become painfully aware of the sacrifices those on the front lines make each day. Join Carry The Load in honoring the sacrifices of our nation's heroes throughout Memorial May, starting with the step-off for the National Relay on April 28. Together, our communities can be united. Carry The Load is a non-profit organization whose mission is rooted in raising awareness for the true meaning of Memorial Day and honoring the service and sacrifices made to protect our freedom.

In addition to the healing our heroes and their families experience by continuing to serve with Carry The Load, peer-to-peer fundraising and corporate support strengthen nationwide services such as counseling, adaptive training, suicide prevention, equine therapy, service dogs, job placements, transition, home improvements, education scholarships for children of the fallen, and more. For information about this organization and its mission, visit www.carrytheload.org.
